

Sephardic Temple Hebrew School

Kindergarden

This week in kindergarden we learned about the Jewish holiday of Rosh Hashana! We sang songs and learned about the different things we eat and do on Rosh Hashana. We also made a beautiful project where everyone made their stained glass plate for the Seder. We had an amazing time this week! Looking forward to a fabulous year together. Shabbat Shalom!
Morah Chagit

First Grade

This week we started class by creating plates for our Rosh Hashanah table! The plate says meaning "have a happy", "שנה טובה ומתוקה", and sweet new year." The students learned the meaning behind Tefillah, Teshuva, and Tzedakah, and how to incorporate them into our lives. We then learned more about Rosh Hashanah and Yom Kippur and did a fun Rosh Hashanah word search. Have an amazing and meaningful Rosh Hashanah and Yom Kippur
Morah Lynn

2nd Grade

This week we continued to learn about Rosh Hashanah and the prayers for the selichot. The students spoke about God and their connection to Him. We made a shofar the students wrote their requests from God on it. Since the custom of Tashlich is part of the holiday tradition, we heard a story about casting away wrong behaviors and learnt some ways of working on ourselves. Shabbat Shalom and Chag Sameach!
Morah Nilli

3rd & 4th Grade

This week, we moved along in the selichot prayers, learning and mastering the song "Adon Haselichot." We also discussed the Seder of Rosh Hashana, learning about the different Simanim and what they symbolize. We prepared some simanim and learned the different brachot for each food, so we are all ready for Rosh Hashana night!

Morah Leat & Morah Shoham

5th & 6th Grade A

This week, we continued learning new Selichot songs including Adon Haselichot. The students enjoyed singing the songs with their traditional Sephardic melodies and began to understand the difference between Sephardic and Ashkenazi prayers and melodies, particularly in the synagogue. To culminate our learning about Rosh Hashana, we enjoyed a mock Rosh Hashana seder to learn the different blessings and concentrations of the various foods we will be eating over chag next week. I encourage you to ask your children to help lead the seder at your homes and share what they've learned over the past few weeks at your Rosh Hashana table!

Wishing you all a Shana Tova and Gmar Chatima Tova,
Morah Moryel

5th & 6th Grade B

This week, the 5th graders learned a new song for Rosh Hashanah! They practiced Aneinu and Chatanu Lefanecha. We also started learning the order of the seder we eat on Rosh Hashanah night and why we eat specific foods. In addition, on Thursday, we learned more prayers, Avinu Malkenu, continued learning more about the foods we eat on Rosh Hashanah night, and started a project!
